Major Requirements

The student must complete the following minimum curriculum in addition to general University requirements. Only classes completed with a grade of C- or better may be counted toward the 48 hours required for the major. Overall GPA in the major must be at least 2.25. Students may refer to the University College Advising Center for assistance with completion of Liberal Education/General Education, Bachelor of Science, and other university-wide graduation requirements (405 SSB, 801-581-8146).

1. The core courses BIOL 1000 and ENVST 2100/UGS 2100 are prerequisites for all other major courses.
2. Three Biology/Natural Science courses, at least one from Group A.
3. Three Humanities/Aesthetics courses, at least one from Group C.
4. Three Human Behavior/Policy/Decision Making courses, at least one from Group E.
5. Technical Requirements: Students must fulfill the following technical requirements.
 - a. Critical Thinking Skills Requirement. One course.
 - b. Statistics Requirement. One course.
 - c. Research Methodology Requirement. One course.
6. Completion of ENVST 4800 Internship, 3 credit hours. One Course.
7. International Coursework. One Course (may satisfy requirement in Groups A-F).
8. 5000 Level Course Requirement. One Course (may satisfy requirement in Groups A-F).
9. Additional Major Courses from groups A-F, advisor approved PRT courses, or courses approved as additional major hours from ENVST curriculum.

REQUIREMENT	DEPT., COURSE # and TITLE	TERM	GRADE	CREDIT
-------------	---------------------------	------	-------	--------

1. PREREQUISITES				
BIOL 1210	General Biology			
ENVST 2100/UGS 2100	Intro. to Environmental Studies			3.0
ENVST 2000	Introductory Field Trip			1.0
2. BIOLOGY/NATURAL SCIENCE				
Group A				
Group A or Group B				
Group A or Group B				
3. HUMANITIES/AESTHETICS				
Group C				
Group C or Group D				
Group C or Group D				
4. HUMAN BEHAVIOR/POLICY/DECISION MAKING				
Group E				
Group E or Group F				
Group E or Group F				
5. TECHNICAL REQUIREMENTS				
a. Logic/Critical Thinking				
b. Statistics				
c. Research Methodology				
6. INTERNSHIP REQUIREMENT				
1 Internship	ENVST 4800			3.0
7. INTERNATIONAL COURSEWORK (may ALSO satisfy requirement in Groups A-F)				
8. 5000 LEVEL COURSE REQUIREMENT (may ALSO satisfy requirement in Groups A-F)				
9. ADDITIONAL MAJOR COURSES (from Groups A-F; advisor approved PRT/additional major hours courses)				
TOTAL CREDITS (48 hours required to graduate):
